This year there will be students each week that will be bringing an entrée because of the number of people in the group. We would suggest that when it is your turn to bring an entrée that you check with the person that you are signed up with to see what they will be bringing. Some suggestions for lunch are hoagies, spaghetti, hamburger barbecue, things of that nature. Please remember that when it is your turn to bring in an entrée there are 18 students in the group. Thank you in advance for your co-operation with the lunch program and for helping to make the 2008 season a successful one.
