Band Camp Dinner Disclaimer

I, _____, **DO / DO NOT**
Parent/guardian name
give my child permission to leave the Whitehall-Coplay School District campus during dinner breaks when band camp is in session.

I realize that if I do grant my child permission to leave campus during these breaks, he/she will not be supervised by any adult, band staff member, or faculty member. Therefore, I agree that I will not hold the Whitehall-Coplay School District, its administration, its faculty members, the Whitehall High School Music Parents Association, and/or the band staff members for my child’s actions during these dinner breaks. I realize that he/she is responsible for his/her actions.

If I do not grant permission for my child to leave campus during these breaks, I realize it will then be my responsibility to see that my child brings a dinner along to band camp each day. I also realize that he/she will be supervised by an attending adult during this break time.

The parent/guardian will be contacted in the event a student who is not granted parental permission to leave the campus does in fact leave the supervision area during dinner break.

The signatures below acknowledge that *both* the student and parent agree to the procedures outlined above.
