

Individual and Small Group Photo Release:

Throughout the school year, individual and small group photographs and video recordings may be taken of students as they participate in various Music Department related activities. These may be used by the Whitehall Music Parents Association (WMPA) to publicize and promote Music Department related activities. It is assumed that your child may be photographed unless permission is denied by checking below and returning it to your child's appropriate music director.

_____ I DO NOT give permission for my child to be photographed in individual and small group settings.

Student name: _____

Date: _____

Parent Signature: _____
