Mr. Hilborns: He needed to find someone to replace the Guard instructors thru emails he put out thru the PME he found Jamie Capes, and Thomas Richards. This change will be effective at Tuesdays night practice. He will also need a couple of people to come in as techs.

MIM: has 6 bands entered: Coughlin, Pocono Mountain, Northampton, Nazareth, Whitehall and Moravian College will perform exhibition. It will be clinic format with one judge that will discuss bands performance.

We have to keep selling ads this is a big money maker for us. There are still permission forms that have not been turned in. As for the show, they will be getting more music on Tuesday night and we need help and ideas for building the Rubik Cubes. Everyone should be getting their emails from Mr. Hilborn, As for States they will be held at Hershey (We need to sell 25 tickets to perform.) Northern States (we need to sell 90-100 to perform). Nationals are Friday November 7th in Annapolis MD- Since we cannot take school busses out of state we need to charter (2) Busses. It will cost \$30.00 per seat . Mr. Hilborn will put together a package to include the bus and cost of ticket when he finds out the price of the tickets. We will need to fill both busses and it will probably be more cost effective for parents, chaperones, etc. that it would be to drive. If we don't fill the bus the cost will go up.

We will probably take a fun band trip after school is over like we did last year.

Shoes will be measured on July 29th one white and black pair are needed.

Mrs. Haller found rubiks cube shirts on line to order.

Mr. Crammer informed us all important information is posted on the website, and the kids have accounts with passwords that they can log in and retrieve music for practice.

Fundraiser committee: Mrs. Guinan, Mrs. Williams, Mrs. Botto, and Mrs. Ziegler.

They would like to set up a meeting to have ideas in place before band camp starts.

Mrs. Crammer is looking for people to chair committees for MIM, this is one of our biggest fundraisers. She would like to set up meetings starting July 24th and again in August and September.

Outdoor snack stand: was taken over from Mrs. Relyea by Mrs. Keiderling, Mr. Surovy would like to meet at the snack stand July 22 from 6-9 to organize and clean and again on August 5th from 6-9 to set up and finalize preparations for the season.

Coplay community days August 23-24th. Mrs. Ziegler had some information, but will get in touch with her contact person with more information for our next meeting. We could possible have a stand by the silos to sell food and games.

Mrs. Williams would like to pick a date for the Chaperone meeting, possibly in conjunction with the August MIM meeting.

Mr. Bugbee asked for volunteer parents for after school when the MS students need to stay after school before they need to come over to the HS for games, practices and other activities.

Adjournment occurred but do not have who motioned the acceptance.
