

General Membership Meeting Minutes

August 8, 2007

The first General Membership meeting was called to order at 7:05pm by President Patricia Gidosh. There were no minutes to go over because of this being our first meeting.

- Treasurer's report: Starting balance \$x,xxx.xx. Ending balance \$x,xxx.xx. Treasurer paid for the Fire department donation of \$xxx.xx and \$xx.xx dollars also went for our PO box. Treasurer did collect \$xxx.xx general membership dues.
- Doug Krall took over our meeting and discussed the by laws for WMPA. There were some minor changes that we discussed and they will be discussed at our next meeting and then voted on.
- Mrs. Null informed us that we need to have liability insurance because we are an organization that serves food at our events. It is there to protect us in case of food poisoning, etc..... the policy is still being handled with the insurance company and Mrs. Null.
- A meeting to go over chaperoning is being formed by Cheryl Crammer with Mrs. Krall, Mrs. Cramsey, and Mrs. Broche. They will hold a meeting with the rest of the parents to discuss their responsibilities with the children of the band.
- A discussion of medical bags being present with the kids was a concern of who would have them at band camp, in case of an emergency. It was brought up that the BLT would take care of this.
- Fundraising: We did the Grist Mill food booth it was strictly WMPA. We were also holding a car wash at Auto Zone. Mrs. Casey has taken over the Entertainment books that is underway and to end on Sept 28th. We are going to be holding Yankee Candles in September and our spirit sales at the football games. A suggestion of selling hand warmers at the games was brought up. We are thinking of holding a Longaberger Calendar event in November. Also the pies and nut rolls. Not to mention Spaghetti dinner, pampered chef, poinsettia sale in December. Lunch with Santa, Gertrude Hawk. Then in spring we are

looking at more car washes, Steckle wood pops and of course preview night.

- It was questioned about Clearances on the staff members and finger printing also done for chaperoning. We are checking into this. Also water for the volunteers at events.

There being no further business a motion to adjourn was made by LeeAnn Null and second by Roberta Sheckler in which ended at 9:00pm.
